Hey, hey! I'm Edgar, and I'm all about capturing life's special moments in the most fun and exciting way possible! As the owner, creative director, and lead photographer at Anchor Studios Photography, I know how important it is to have someone you can trust to capture your unique story.

Whether it's your wedding day, an engagement shoot, or just a fun day out with your family, I'm here to capture those special moments that you'll cherish for a lifetime. I love getting to know my clients and capturing their personalities and quirks through my photography.

When I'm not behind the camera, you can find me enjoying some good ole' Chick-Fil-A Sweet Tea, exploring the great outdoors, or hitting up a burger joint with the love of my life, Mrs. Paniagua! And of course, my family and church community are a huge part of my life and keep me grounded in everything I do.

But enough about me - let's talk about you! I want to make your photography experience as fun and stress-free as possible.

Whether you're camera-shy or love being in front of the lens, I promise to make you feel comfortable and confident throughout the process.

So let's create something amazing together! Get in touch, and let's make some memories that you'll cherish for years to come!

## YOU HAVE QUESTIONS

---

Q: What sets you apart from other photographers?

A: With years of training under my belt, I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun!

Q: Will we get the print release of our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my print fulfillment sites, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab.

Q: Are there any venues or vendors that you recommend?

A: Of course! I have a full list on my website that you can browse through. You can also check out my blog with information on what you should be looking for from a photographer's perspective.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, such as blemish removals, and skin tone corrections but I believe our imperfections are what make us beautiful & and unique. If there are specific edits you want, these will be charged according to the number and complexity of the edits.

## I H A V E A N S W E R S

---

Q: What equipment do you use?

A: I use all of the latest Canon equipment. I always carry my EOS R, a second backup, an RF-50mm F1.2 lens, an RF24-70 mm F2.8 lens, & the 35 mm F1.8 lens, among other items.

Q: How long until I get my pictures back?

A: Engagement galleries take about 2 weeks, wedding galleries take about 1 to 2 months, depending on how busy the wedding season is around that time and photobooks take about 2 months.

Q: How do we reserve our wedding date?

A: You'll start by submitting a registration form on my website. I then proceed to develop your contract and your invoice. In your invoice, you'll see the information for the accepted payment methods. To officially book your date, a 10% deposit and signed contract are required. The remainder of your balance will be due two weeks before your wedding date.
